GENEALOGY

WORKSHOP

~ ~ ~

SATURDAY, OCTOBER 27, 2012

9:00 A.M. TO 4:00 P. M.

Do you want to discover your family roots, but you don't know where to start? Would you like to trace your family tree, but you don't know how to? If this description fits you, please come and spend a day with us at our workshop.

We can teach you how to do your genealogy. Our very experienced teachers will show you how to handle your research. You will learn where the records are and how to use them. We can show you research techniques that will help you to find your elusive ancestors.

The workshop is held in the genealogy library at the History Center and you will be introduced to the many genealogy sources held there.

You will be taught about the many source records at the Erie County Courthouse, and you will also learn about the varied and wide reaching records that are available to you at the Erie County Public (Blasco) Library.

Included are classes on researching newspapers, cemeteries, census, and much more, all covered at our one day genealogy event.
